

American Red Cross FR400 THE IDEAL PREPAREDNESS TOOL

SPECIFICATIONS

AM/FM Water-Resistant Radio with NOAA, TV-VHF, Flashlight, Siren and Cell Phone Charger

If you live in an area subject to hurricanes or severe storms, this is the ideal emergency radio for you. It is self-powered and water-resistant to help you weather the storm. Listen to AM and FM radio to stay apprised of the emergency situation, and hear the most current weather conditions on the NOAA weather channels. You can even listen to television news feeds, thanks to the TV-VHF tuner. This device allows you to keep your cell phone charged and at the ready, while the flashlight and siren can be used to alert rescuers to your location. Make safety your priority. You'll be prepared for any emergency, and there's an added benefit—Eton Corporation will contribute \$.75 of the purchase price to support the American Red Cross.
